Finance Report

Very strong year. Year end giving will determine whether or not we end up above or below budget for the entire year.

Stewardship Update meetings

235 commitment cards returned to date, with \$755,000 pledged.

HR Update

Katie Daley-Matson has been hired for both positions combined. She is a seminary student with extensive children's ministry experience. Katie will be looking for an appointment in the Minnesota Conference in 2018.

Budget

The budget was discussed extensively; will be finalized in December.

Clergy Compensation/Charge Conference

Motion: Rick Osborn, Second Sadie-jo Kobussen to provide a increase of 3% to Pastor Dan Wetterstrom. Since this is the first year in her first appointment as a pastor in Minnesota, Kelly Lamon's salary will remain the same for 2017. Charge Conference was held on Sunday, November 27, at 10am. Reverend Betty Schilling presided; motion passed.
