

Woodbury Peaceful Grove United Methodist Church Core Team Summary September 27, 2016

Finance Report

Another good financial month. The year appears as though it will end up a lot better than anticipated.

General ledger changes will be made by the Financial Manager January 1, 2017. Although the line items will be more generalized, details will not be lost.

Conversion to new system: 40+ emails still to go out about switching personal giving to new system. Striving for Oct. 25 end date to ACS, may not be until November.

Stewardship Update meetings

Team continues to be on track. First Sunday of informational meetings was well attended after the 9:00 service, good amount 10:30. Good questions came out in the meetings. The goal is for each home to attend one of the meetings.

Celebration Sunday

Lots of energy in and around the building, bouncy house big hit. 70 volunteers participated in worship and activities.

HR Update

Job descriptions for the positions have been created. Will be posted as separate positions, Student Ministry Assistant, and Worship Assistant, letting people know that they may apply for both. Will be posted internally and externally.

Audit

2014 Audit and recommendations distributed. 2015 audit is underway. We will continue with volunteer auditors, until such time that we can afford/justify spending money for outside audits every year.

MCCI

Process is underway. Monthly coaching meetings with Dan occurring. First Impressions Team will begin to meet. "Growing Generous Givers", a clergy/lay training event will be held on November 13, 2pm, meeting at Minnetonka UMC. Stewardship Team, Core Team, and congregants encouraged to attend. Goal to hold "weekend event" is spring, 2017. One advantage to the MCCI, is that the process understands the Wesleyan tradition, where last two processes have not.

Respectfully submitted by Jill Easton, Secretary
