

Core Team Summary August 2017

Driveway Project

Dan proposed that we accept Jim Tousignant's recommendation to hire Northwest Asphalt to:

Use approximately 10 tons of mix to replace "alligatored" areas of the east driveway and 10 tons of mix to level low areas prior to overlay. Overlay driveway with 1 1/2" MV4WEB-R Mix. 2-3 Bobcat buckets of CL5 as shouldering on cemetery side of road.

This will cost \$15,250. The Cemetery Board has said they will contribute \$7,500 to this project. The work will be done on September 5-6.

Criteria/givens for Name clarity decision

If we keep our present name, it will continue to be long, clunky and confusing; we don't need to change the name of the cemetery if we change our name. The criteria set forth by the team are:

- The recommended name needs to be missional, giving our church an identity to those in our communities, region or South Washington County who aren't connected to church
- The recommended name needs to be able to position the church for the future while building on our heritage
- The recommended name needs to be applicable to a multi-site church. Currently, that includes Woodbury and Peaceful Grove campuses. In the future, that might include different/additional locations
- The recommend name needs to ensure we can have a clear and strong online and social media presence that is easy to find and navigate
- The recommended name will come out of the research the team does

Celebration Sunday

It is coming along; it's going to be a great day. Katie and Kelly are working their creativity to make this a great way to continue to build on our very strong summer. Robin Muskoplat and others are contributing many hours with volunteer recruitment and getting things ready. Thank you, all!

Finance

Finances look pretty good overall, we need to keep an eye on it. We are just about even with this time last year.

Files being moved over to Office365, with a few glitches.

Transition plans with resignation of Deb Berglund

Deb says it takes approximately 12 hours per week to do her "financial" work, the rest is filled with assisting with vendors, media, etc. Bonnie Guerrero and Ann Todd are potential transition assistance. The the position is posted, we will continue to offer the 20 hour per week position.

Recruiting process

Jenni and Rick merged the two financial job descriptions. The posting will be put in the News to Go, the Insites, and on the website.

Respectfully submitted by Jill Easton, Secretary
