

Creating an Account on the New HopeNet

Sign-On Screen

You will need to create an account before logging in for the first time. You will enter a request to create an account which will need to be reviewed and approved by church staff. When the account is approved and created, you will be notified and will be able to sign in.

Step 1 - On the Login screen, click on [Create an Account](#).

The screenshot shows the HOPEnet website's login interface. At the top, there is a dark blue navigation bar with the following links: Home, Give Online, Registration, Contact Us, and a highlighted Give Online button. The main content area is divided into three columns. The left column is titled "Login" and contains two input fields for "Email:" and "Password:". Below these fields are two buttons: "Log In" and "Forgot Password?". Underneath the login section is a section titled "Need a Login?" with a "Create an Account" button. The middle column is titled "Welcome" and contains a message: "Welcome to our new church portal! From here you may give online, view giving history, and manage family and personal information. If you do not have an account, [Create an Account](#)". The right column is titled "Announcements" and contains the text "Coming soon!".

Step 2 - On the Create an Account screen, fill in the Personal Information and Email Address and Password and press **Submit**.
